WHO WE ARE

The mission of Wylde Center is to connect people to nature.

Wylde Center accomplishes this through educational programs, events and greenspaces that actively engage youth, families and individuals in their environment, health and community, and that develop skills in environmental science, sustainable urban living, organic gardening, health, and nutrition.

The organization strives to provide an environment that cultivates a spirit of service, respect for diversity, global citizenship and character. Our commitment to a diverse, equitable and inclusive culture is reflected in a community in which differences are embraced, and staff, volunteers, and community partners have a sense of belonging.

At Wylde Center, we hire culturally competent and responsive candidates who believe in the critical importance of diversity, equity and inclusion in the success of an organization and can effectively incorporate those principles in their professional roles. Wylde Center actively seeks candidates from historically underrepresented populations.
