

Wylde Center Daisy Programs

Make the World a Better Place (Light Pink Petal)

Learn how you can make a difference in the world around you and beyond.

Use Resources Wisely (Green Petal)

Find new ways to care for the environment by reducing, reusing, and recycling everyday items.

Daisy Trail Adventure Badge

Choose your adventure: Jog while you explore outdoors, or go on a hike and play games. When you've earned this badge, you'll know how to go on an adventurous jog or play outdoor hiking games.

Eco Learner Badge

Nature gives us many gifts-now learn some ways to give back by protecting nature. When you've earned this badge, you'll have learned three ways to protect the environment when you go outdoors.

5 Flowers, 4 Stories, 3 Cheers for Animals Journey

Find out what animals need and how to care for them- go on nature walks to observe animals. Earn 3 leadership awards: Birdbath Award, Red Robin Award, and Tula Award.

Between Earth and Sky Journey

Explore nature and learn how to keep the Earth healthy- visit a park or farm, talk to a scientist, or make origami butterflies to celebrate nature. Earn 3 leadership awards: Blue Bucket Award, Firefly Award, Clover Award.

Welcome to the Daisy Flower Garden Journey

Explore the world of gardening-plant a mini-garden, learn about composting, find out how ladybugs help flowers, take a field trip to a public

garden. Earn 3 leadership awards: Watering Can Award, Golden Honey Bee Award, and Amazing Daisy Award.

Math in Nature 1: Shapes in Nature Badge

Identify shapes and patterns in natural objects, like rainbows, flowers, and leaves. When you've earned this badge, you will know how to identify shapes and patterns in nature. You'll also know how to create your own.

Math in Nature 2: Numbers in Nature Badge

Explore how to measure the size and amount of objects in nature. When you've earned this badge, you will know about shadows, measurement, sorting, and estimating.

Math in Nature 3: Design with Nature Badge

Observe and use what you know about the outdoors to make and do things in nature. When you've earned this badge, you will know how to use math to identify and sort things in nature. You'll also know how to create a map.

Outdoor Art Maker Badge

Explore the outdoors and use what you see and hear to make different kinds of art projects. When you've earned this badge, you'll know how to look at nature like an artist and make your own outdoor art.

Wylde Center Brownie Programs

Brownie Trail Adventure Badge

Choose your adventure: Go trail running, or take different kinds of hikes. When you've earned this badge, you'll have planned and learned the skills for an outdoor trail run or three different types of hikes.

Bugs Badge

Explore the world of bugs and learn more about these little creatures that do so much. When you've earned this badge, you'll know all about bugs.

Eco Friend Badge

Find out how to treat outdoor spaces with kindness and teach others how they can, too. When you've earned this badge, you'll have found new ways to protect our natural world and the living things in it.

Hiker Badge

Find out what you need to know to become a Brownie hiker. When you've earned this badge, you'll know how to hit the trail for a hike.

WOW! Wonders of Water Journey

In this Journey, you will:

1. Explore the wonders of water by finding out more about its importance and how it's used around the world.
2. Plan a Take Action project, such as making informative posters, promoting recycling at school, or planting low-water gardens.
3. Earn 4 leadership awards: The LOVE Water Award, the SAVE Water Award, the SHARE Water Award, and the WOW! Award

Math in Nature 1: Shapes in Nature Badge

Look carefully at nature, track what you see, and create art inspired by natural objects. When you've earned this badge, you will know about counting, graphing, symmetry, and tessellations. You also know about spiders, birds, and other natural objects.

Math in Nature 2: Numbers in Nature Badge

Use your senses and other tools to gather information and learn about the natural world. When you've earned this badge, you will know how to measure temperature and length. You'll also know about square feet, diagrams, and grids. You'll have explored leaves and gardening.

Math in Nature 3: Design with Nature Badge

Use math to do things in the natural world, like find the age of natural objects, build a honeycomb, design a bird feeder, and go bird-watching. When you've earned this badge, you will know about natural objects. You'll know how to measure, use scale and ratio, and make a graph.

Outdoor Adventure Badge

Explore outdoor activities that are new to you. When you've earned this badge, you'll have tried a lot of new things outdoors and learned which activities you want to do again.

Outdoor Art Creator Badge

Find out how you can make your own art outdoors and have fun doing it. When you've earned this badge, you'll know how to do different kinds of fun art projects outdoors.

Wylde Center Junior Programs

Animal Habitats Badge

Find out more about where animals live, how they play, and how humans can help them. When you've earned this badge, you will know more about wild animals and how to protect their homes. This badge comes in a packet that includes the Geocacher, Animal Habitats, Playing the Past, Product Designer, and Social Butterfly badges.

Eco Camper Badge

Find out how to protect the environment when you go on a camping trip. Learn the Leave No Trace Seven Principles. Plan meals with the environment in mind. Prepare a minimal impact campsite. When you've earned this badge, you'll have learned skills for minimal impact camping and know how to protect the environment when you go outdoors.

Flowers Badge

Discover that there's more to flowers than just good looks. Uncover the science of one flower. Find out how flowers help people. When you've earned this badge, you'll know all that's wonderful about flowers.

Gardener Badge

Find out how to make your own garden, no matter where you live. Explore garden design. Learn how to choose garden plants. Experiment with seeds. When you've earned this badge, you'll know who to help plant and flowers grow.

Math in Nature 1: Shapes in Nature Badge

Explore patterns found in nature and use math to create your own. Identify symmetry in nature. Explore bilateral symmetry in nature. Create nature-inspired art with circular symmetry. Find Fractals in nature. Search for Fibonacci sequence. When you've earned this badge, you will know about symmetry, fractals, and the Fibonacci sequence. You'll have identified and made patterns inspired by nature.

Math in Nature 2: Numbers in Nature Badge

Explore how math can be used to tell us all kinds of information about nature, from how tall or old a tree is to the weather, season, or time. Tell time with weather. Track the weather. Explore the circumference of trees. Search for shadows. Find the area and perimeter of plants. When you've earned this badge, you will know how to use math to tell time, predict the weather, and learn about trees. You'll know how to measure shadows, perimeter, and area.

Math in Nature 3: Design with Nature Badge

Use math to plan and organize an outdoor adventure. Decide where you'll go, how long you'll be gone for, and what you'll bring. When you've earned this badge, you will know about different types of maps. You'll know how to calculate distance, pace, elevation changes, and area.

Outdoor Art Explorer Badge

Let nature be your inspiration as you explore, create, and design different kinds of art. Explore outdoor art. Find music in nature. Design with nature. When you've earned this badge, you will know how to find the art in nature and create your own outdoor artwork.

Wylde Center Programs for Cadettes

Animal Helpers Badge

Learn about the many ways animals help humans. Explore the connection between humans and animals. Find out how animals help keep people safe. Know how animals help people emotionally. Look at how animals might help us in the future. When you've earned this badge, you'll know how animals help humans.

Eco Trekker Badge

Plan and take an outdoor trek- with minimal environmental impact. Learn how to make minimal impact on a trek. Plan an eco trek with a purpose. When you've earned this badge, you'll have learned the skills for minimizing your impact on the environment while planning and taking an outdoor trek.

Outdoor Art Appreciation Badge

Find out how to observe and collect things outdoors that will drive your art and creativity. Explore art outdoors. Get to know-and create- sounds of nature. Design with nature. When you've earned this badge, you'll have been inspired outdoors and created nature-themed art.

Trees Badge

Find out all about trees: from the shade to the science, the fruit to the forest, and the legends to the lumber. Dig into the amazing science of trees. Explore the connection between people and trees. When you've earned this badge, you'll have gone to the root of what trees are all about- and branched out as a naturalist.

Cultivating environmental stewardship

Wylde Center Programs for Seniors

Eco Explorer Badge

Become an eco explorer as you get hands-on experience with environmental issues and help make positive changes to the environment. Explore biodiversity. Investigate a global ecosystem issue. When you've earned this badge, you'll have researched different environmental issues and taken at least one trip to see how an area is impacted.

Sow What? Journey

In this Journey, you will: Learn about food: how and where it's grown, harvested, processed, distributed, and consumed, and why it matters. Earn the Harvest Award.

Locavore Badge

Find out how the efforts of locavores-people who are committed to eating locally grown, seasonal foods- can be an important and delicious part of healthful eating. Explore the benefits and challenges of going local. Find your local food sources. Cook a simple dish showcasing local ingredients. Make a recipe with local ingredients. When you've earned this badge, you'll know how to prepare a meal of seasonal and locally grown dishes.

Outdoor Art Expert Badge

Learn to see nature with an artist's eye and create something helpful to the environment. Design outdoors. Explore art outdoors. When you've earned this badge, you'll have learned how to create art outdoors with a focus on the environment.

Wylde Center Programs for Ambassadors

Eco Advocate Badge

Discover a nature issue that's important to you, find solutions, and make a difference. Learn what eco advocates do. Find an issue you're passionate about. When you've earned this badge, you'll have learned how to advocate for environmental issues concerning nature.

Outdoor Art Master Badge

Bring art and the outdoors together and get inspired by the beauty in nature. Explore outdoor art. Find music in nature. Design with nature. When you've earned this badge, you'll have explored nature and created several different kinds of outdoor-themed art.

Justice Journey

In this journey, you will: Identify global environmental issues and create your own vision for change. Plan a Take Action project to address food and land-use issues, improve food delivery systems, fight hunger in developing nations, or rediscover healthy eating traditions. Earn the Sage Award

Water Badge

Find out more about water and reflect on the role water plays in your life and our world. Have fun reflecting on your relationship with water. Find out about water issues. Explore water solutions. When you've earned this badge, you'll have dived deep into water—from its scientific origins to the joy of splashing.
